

Welch Allyn Stethoscope Specifications

Welch Allyn Lightweight Double-Head Stethoscopes

When performance weight and economy are of primary concern, the Lightweight is the stethoscope to choose. At 4 oz, the Lightweight is one of the lightest stethoscopes available. It rests comfortably in your lab coat pocket or draped around your neck, and offers the superior acoustics that are the hallmark of Welch Allyn stethoscopes.

- General-use stethoscope
- Lightweight chestpieces with nonchill rims
- Adjustable chrome-plated binaurals
- Latex-free, flexible, single-channel tubing
- 2-year warranty

Welch Allyn Stethoscopes

WelchAllyn
Advancing Frontline Care™

Welch Allyn Stethoscopes *Hear the Difference*

Developed during a 30-year association with W. Proctor Harvey, MD, recognized “Master” by the American College of Cardiology and one of the world’s foremost experts in auscultation, Welch Allyn stethoscopes bear the same reputation as all of our diagnostic instruments—rich in innovative features and design, unsurpassed in exceptional quality and performance, and representative of a long and collaborative association with the medical profession.

Welch Allyn stethoscopes embody a proven history of success. And continual research and refinements will ensure they remain the choice of healthcare professionals in the future.

Welch Allyn products are available exclusively through authorized dealers. For help locating a dealer or product, contact a Welch Allyn representative at 800.535.6663, or visit www.welchallyn.com.

Welch Allyn Harvey DLX™ Stethoscope

Both the double- and triple-head Harvey DLX stethoscopes are specifically designed to accentuate important patterns and to enable you to hear cardiac, pulmonary, and vascular nuances without relying on difficult “variable pressure” techniques. The Harvey DLX is equipped with dual-lumen tubing that creates two uninterrupted sound channels and works with the optimally weighted brass chestpieces to transmit a full range of physical sounds.

- Full-range, cardiology/pulmonology stethoscope
- Available with double-head (brass bell and flat diaphragm) or rotatable triple-head (brass bell and flat or corrugated diaphragm) chestpieces
- Pediatric chestpieces available
- Chrome-plated brass chestpieces and binaurals
- Rotatable binaurals and interchangeable comfort sealing eartips
- Triple-leaf binaural spring encased in polyurethane allows size adjustment while preventing breakage
- Latex-free
- 10-year warranty

5079-322 Burgundy
5079-323 Navy
5079-324 Forest Green

Welch Allyn Harvey™ Elite® Stethoscope

The Harvey Elite offers updated styling along with the superior comfort and auscultation capabilities that cardiologists have come to rely on. It is equipped with dual-lumen, latex-free tubing that creates two uninterrupted sound channels and works with the optimally weighted, rugged stainless steel chestpiece. The Elite’s diaphragm is designed to accentuate important rhythms, enabling you to better hear cardiac, pulmonary, and vascular nuances.

- Full-range cardiology/pulmonology stethoscope
- Double-head (bell and flat diaphragm) stainless steel chestpiece with nonchill rim
- Pediatric chestpieces available
- Rotatable stainless steel binaurals and interchangeable comfort sealing eartips
- Triple-leaf binaural spring encased in polyurethane allows size adjustment while preventing breakage
- Choice of tubing length
- Latex-free
- 10-year warranty

Welch Allyn Professional Stethoscope

With minimal weight, custom-fitting binaurals, and eartips, the Professional is one of the most comfortable and versatile general-use stethoscopes manufactured today. Its acoustics allow for accurate auscultation of cardiac, pulmonary, and vascular sounds. And the chestpieces in the adult, pediatric and infant versions of the Professional enable you to select a stethoscope that best meets your specific needs.

- General-use stethoscope
- Stainless steel double-head (bell and flat diaphragm) chestpiece with nonchill rim
- Available in pediatric and adult models
- Rotatable binaurals and interchangeable comfort sealing eartips
- Latex-free
- 5-year warranty
